

K-LOVE serves me as a resident in the Mesa Community by providing safe, high moral based programming which offers a very positive influence. If an LPFM broadcaster were to take KLOVE's place, it would have a negative impact on myself, my family and a good number of our friends who highly value what KLOVE provides currently (and has for quite some time now!) They have a proven track record, which is important to the overall public interest in these times when most TV and RADIO broadcasts are becoming more and more off-color and in poor moral taste. Please PROTECT and maintain KLOVE!!
